

*Hello to everybody who has been giving me support over the last couple of months. Thanks very much for the voting and support that has been given to me. My future has now changed since this competition and a lot of it has do with you guys. I am very thankful for the support that I have got from every body. I appreciate all the contributions of time and money you spent on me, it means a lot. You will all be a major part in career and I am deeply in debt of your gratitude.*

*Once again all my thanks Kieran*
